Feasibility Certificate for “Fast Track” Design Compliance

Feasibility Certificate for "Fast Track" Design Compliance

As the architect for _____ (development name), MSHDA # _____, I certify that the design development drawings do, and future construction documents will, meet the dwelling unit areas and proposed amenities as required in the **MSHDA Feasibility Marketing Certificate** and the technical standards as written in the **MSHDA Standards of Design**. See Attachment "A": "MSHDA Standards of Design Summary" and the manual **MSHDA Standards of Design**.

The following do **not** conform to the current **MSHDA Standards of Design** and a waiver is hereby requested. (Enumerate Standards requested to be waived and basis for requesting waiver. Add additional pages if necessary.)
